

2017

Our focus:

- Learn how schools engaged student voice
- Understand the challenges students experienced at school
- Identify the issues students were passionate about
- Unpack the barriers to student voice
- Discover what authentic engagement looked like to students

2018

Our focus:

- Understand students' perceptions of safe and inclusive school communities
- Understand issues that positively and negatively impact on students' sense of safety and belonging at school

2019

Our focus:

- Create student voice opportunities for primary schools
- Establish a team of BCE Student Voice Consultants
- Design the inaugural BCE Student Voice Festival of Ideas
- Strengthen structures for student voice in schools
- Identify priorities for student led initiatives in 2020

2020

Our focus:

- Partner with students and staff to create platforms, structures and opportunities for student voice across all levels of BCE
